

# The Heritage Walkway

The planned brick and paver walkway outside the Museum is a unique way to show your support for the Wayne County Historical Society. It can also be an opportunity to honor a loved one in a special way that will forever tie that person to our county's rich heritage. The walkway will be built immediately upon completion of the new building addition projected for mid-2007.

To be a part of our HERITAGE WALKWAY please fill out the application below.
